

Iron Claw™ Ergo Grip Mini File Assortment

- Quick change ergo comfort grip handle reduces hand fatigue and provides greater user performance
- Quick lock rotating caps allow for quick, easy rotation and fine manipulation filing
- Individual file's locking insert allows user to quickly and efficiently change out style and handle or cap without any downtime
- Ideal for detail work and filing in tight spaces
- Great for use on carbon and stainless steel, copper, brass, plastic and PVC

Twist release to change file

Use on all carbon and stainless steel

Unload file gullets with the Iron Claw File Cleaning Brush (800-0-1015)
