800-0-1015	File card (file cleaning brush)

Micro Drill-Out® Extractors

The Micro Drill-Out Extractors have many of the same features as the larger Drill-Out with a different twist. Put the micro extractor in the chuck, extractor side in, and drill the hole in reverse. Stop, take the micro extractor out, turn it around and insert the extractor end into the hole. Drill the broken screw out.

- Drill bit and extractor in one
- Fast, easy, dependable
- Drill grade 8 material
- Self-centering drill tip

Code #	Description	Screw	Size
805-2-4006	Micro Drill Out	#5 - 6	M3
