Cryobit® Stubby Length Drill Bits

- Designed for drilling in tight spaces
- Shorter body reduces breakage
- Extremely strong
- Self-centering 135° split point

Available in select sizes only

Assortments

- 999-0-9808** 29 pieces — 1/16" to 1/2" in 64ths; 29-piece index
- 999-0-3808** 13 pieces — 1/16" to 1/4" in 64ths; 29-piece index

Cryobit® Twin Bits

- Two stubby length bits in one
- Designed with thicker webs for more resistance to breaking
- Includes a self-centering 135° split point tip
- Made for drilling sheet metal

Available in select sizes only

Cryobit® Aircraft Extension Length Drill Bit

- Extended shank makes it easier to reach recessed areas
- Includes a self-centering 135° split point tip
- 12" overall length provides wider range of drilling options

Available in select sizes only
