

## Cryo Turbo-Tip™ Brad Point Drill Bits

- Versatile - Drills wood, plastic, acrylics, PVC and other soft materials
- Quick Action - Super fast-cutting design powers through even hard woods incredibly fast
- Cool Cutting - Exceptional heat dissipation prevents material burn
- Clean Holes - Unrivaled hole quality from start to finish
- Long-Life - Cryophase™ thermal cycling extends bit life

High density polyethylene is no match for the cutting ability of the Cryo Turbo-Tip!

Cryo Turbo-Tip powers through hard woods - even Ipe!

| Code #     | Description  |
|------------|--|
| 801-6-6010 | 1/8"   |
| 801-6-6020 | 3/16"  |
| 801-6-6030 | 1/4"   |
| 801-6-6040 | 5/16"  |
