

Cryo Rotabroach™ XL

Extended Reach Hole Cutters

- **Easy-to-Use** — Ability to drill single pass-through holes in square and rectangular pipe and tubing makes them ideal for trailer hitch installations
- **Tough** — One piece construction enables the cutter to drill a wide variety of materials easily
- **Long-Lasting** — Cryophase™ treatment extends the cutting life of each cutter
- **Fast** — 2 to 5 times faster cutting than traditional twist drills or conventional tooling

Code #	Size
818-5-6100	3/8"
818-5-6200	7/16"
818-5-6300	1/2"
818-5-6400	9/16"

Assortments

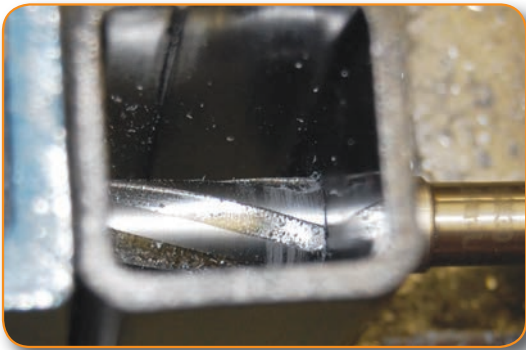

995-1-8600	Rotabroach XL Kit - 4 cutters, 3/8" to 9/16", plus accessories
------------	---
