## Armor-Cut™ Cryo-Max™ Carbide-Tooth Hole Saw for Thin Metal

- **Fast Cutting Design** – Makes drilling large diameter holes quick, easy and possible with standard and cordless hand drills
- **3/16" Cutting Depth** – Creates clean holes in junction and switch boxes, metal studs, lighting fixtures, thin-wall pipe, truck body repair and more
- **Easy to Use** – Cuts with less force and resistance than a drill bit and faster than a standard hole saw
- **Long Life** – Cryophase™ treatment improves cutting speeds, wear resistance and tool life

### Accessories

|            |   |
|------------|---|
| 808-9-4100 | Replacement 15/64" Pilot Drill                                |
| 808-9-4110 | Replacement Ejector Spring for 2pc Cutters (newer cutters)    |
| 808-9-4111 | Replacement Ejector Spring for 1pc Cutters (original cutters) |

### Assortments

|            |   |
|------------|---|
| 999-5-0040 | 6 Piece HVAC/Electric Set in Case with Handle - 5/8", 7/8", 1-1/8", 1-3/8", 1-3/4" and 2"     |
| 999-5-0041 | 5 Piece Bolt Hole Cutter Set in Case with Handle - 9/16", 11/16", 13/16", 15/16", and 1-1/16" |
| 999-5-0042 | 5 Piece General Maintenance Set in Case with Handle - 5/8", 3/4", 7/8", 1" and 1-1/8"         |
| 991-5-0040 | 6 Piece HVAC/Electric Assortment with No Case   |
| 991-5-0041 | 5 Piece Bolt Hole Cutter Assortment with No Case  |
| 991-5-0042 | 5 Piece General Maintenance Assortment with No Case   |
| 991-5-0043 | 8 Piece Deluxe Maintenance Assortment with No Case  |

Available in select sizes only
