

Solution Series HAND TOOLS

AQUA LIGHT

66 LED waterproof work light with custom stainless steel light holder, 120 VAC charger, and 12 VDC charger

- 66 LED bulbs with single warm white LED intensity > 400 Lumens and 6500K color temperature (compares to the brightness outside, 12pm on a clear day)
- Waterproof grade IP66 (Ingress Protection: Dust tight/protected against heavy seas)
- 100% waterproof in depths down to 39"
- Can be washed with water over and over again
- 3-4hrs continuous use on a single charge
- The gradual lighting startup design protects the user's eyes from sudden high bright beam
- Continuous lighting can be achieved while charging by adapters
- State of the art ternary lithium-ion battery
- Cordless operation for use anywhere by patented multi-function light holder
- UL approved AC charger

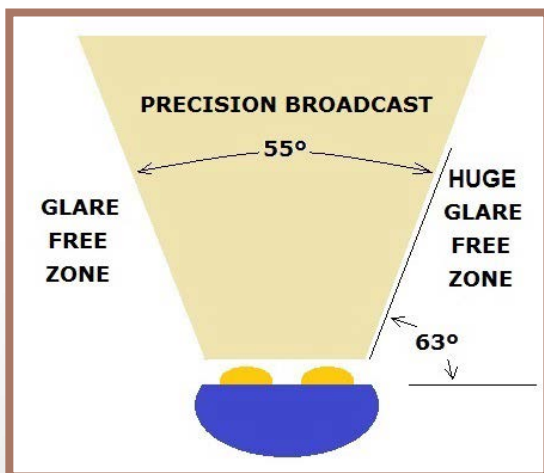

Patented multi-function holder allows light to be easily hung to illuminate work area.

Code #	Description
800-0-0105	Waterproof Work Light 66 LED
800-0-0106	Stainless steel holder with hooks
800-0-0107	110V AC charger
800-0-0108	12V DC charger
